## Agricultural and Vegetable Seeds

SUPPLIED.

## BOUQUETS, HEAD DRESSES, WREATHS, AND OTHER ORNAMENTS.

---

THIS Branch has received our special attention, and by keeping a large stock of first-class flowering in-door and out-door plants, we are enabled to supply our customers with the very best of articles.

The merits of Bouquets, &c., made at our establishment are now sufficiently well known to the public, both in this and in the neighbouring colonies, as to require no comment from us.

Wedding Orders and Ball Bouquets (as packed by us) can be sent a journey of two or three days' duration, and we guarantee their arrival in first-class order.

Bouquets can be had at all prices, according to the size and style of envelope required.

**BOUQUET PAPERS.**—Our stock of these comprises every description of PLAIN, SILVER, and GOLD, also ELEGANT SILK LACE and SATIN ENVELOPES of the newest and most fashionable shapes, imported by us direct from the manufacturers.
